ABOUT COMPANY

BUILT ON EXPERTISE.
DRIVEN BY COMMITMENT.

Imad International Contracting Company is a leading specialist in heavy-industry and building services contracting. With a proven track record of delivering complex steel infrastructure, boiler installations, precision metal fabrication, HVAC systems and comprehensive electrical solutions, we serve clients across industrial, commercial and institutional sectors.

Our multidisciplinary capabilities and commitment to quality make us a trusted partner from project conception through commissioning.

INDUSTRY
EXPERIENCE.
REAL IMPACT.

INTEGRATED EXPERTISE

Multi-disciplinary capabilities under one roof.

QUALITY FOCUSED

Committed to the highest standards in every project.

CLIENT CENTRIC

Building long-term partnerships through trust and delivery.

SUSTAINABLE GROWTH

Creating value for today and a stronger tomorrow.

01 | BUILD INFRASTRUCTURE

Strong foundations for a better tomorrow.

02 | POWER INDUSTRIES

Reliable systems for continuous growth.

03 | ENABLE PROGRESS

Engineering solutions that make a difference.

CHAIRMAN'S MESSAGE

A STRONGER TOMORROW, BUILT TOGETHER.

As the Chairman of Imad International Contracting Company, I am proud to present our company profile highlighting our commitment to excellence in the industrial electromechanical and steel infrastructure sectors.

Since our establishment, we have dedicated ourselves to delivering high-quality solutions that meet the evolving needs of our clients. Our team of skilled professionals brings together decades of combined experience, innovative approaches, and technical expertise to every project we undertake.

At Imad International, we understand that our success is directly linked to the success of our clients. This is why we focus on building lasting relationships based on trust, reliability, and exceptional service delivery. We don't just complete projects – we create value through solutions that enhance operational efficiency, reduce costs, and stand the test of time.

As we continue to grow and evolve, we remain committed to our core values of quality, integrity, innovation, and customer satisfaction. We invite you to explore our capabilities and discover how Imad International can be your trusted partner for all your industrial contracting needs.

Thank you for your interest in our company.

Sincerely,

Eng. Safdar Ali Khan
Chairman
Imad International Contracting Company

"Our success is built on strong relationships, a skilled team, and an unwavering commitment to delivering value.

VISION & MISSION

BUILDING TODAY FOR
A BETTER TOMORROW.

VISION

To set the benchmark for excellence and innovation in contracting services, empowering clients to realize their most ambitious infrastructure and systems goals.

MISSION

To deliver turnkey contracting solutions that combine technical expertise, robust project management and uncompromising safety standards—on time, on budget and to the highest quality.

IMAD INTERNATIONAL CONTRACTING COMPANY

ENGINEERING SOLUTIONS FOR A STRONGER TOMORROW

CORE SERVICES

INTEGRATED SOLUTIONS FOR COMPLEX CHALLENGES.

We provide end-to-end contracting solutions across mechanical, electrical, civil and industrial disciplines, delivering projects that meet the highest standards of safety, quality and performance.

01 STEEL STRUCTURES

Design, fabrication and installation of high-quality steel structures for industrial and commercial projects.

02 BOILER INSTALLATION

Complete boiler systems installation, integration and commissioning for reliable and efficient operations.

03 HVAC SYSTEMS

Design and installation of advanced HVAC solutions for optimal performance and energy efficiency.

04 ELECTRICAL SOLUTIONS

Complete electrical systems including power distribution, lighting, instrumentation and control systems.

05 PIPING & MEP WORKS

Fabrication and installation of process piping, utility systems and complete MEP solutions for industrial facilities.

06 CIVIL CONSTRUCTION

Robust civil works including foundations, buildings, industrial facilities and infrastructure development.

From concept to completion, our services are designed to create lasting value for our clients and communities.

OUR SERVICES

At Imad International Contracting Company, we deliver specialized industrial and commercial electro-mechanical solutions tailored to meet the evolving needs of modern manufacturing and industrial facilities. Our integrated service approach combines technical expertise, quality craftsmanship, and innovative methodologies to provide end-to-end solutions for your most complex industrial challenges.

INDUSTRIAL ELECTRO-MECHANICAL WORKS

Our electromechanical division specializes in the seamless integration of electrical and mechanical systems for optimal industrial performance. We offer:

INDUSTRIAL ELECTRICAL SYSTEMS

Design and install power distribution networks, control systems, and industrial automation solutions that enhance operational efficiency and safety.

MECHANICAL INSTALLATION

Precision installation of industrial machinery, production lines, and auxiliary equipment with meticulous attention to alignment, calibration, and performance testing.

CONTROL & AUTOMATION

Implementation of advanced control systems including PLC programming, SCADA integration, and industrial IoT solutions that provide real-time monitoring and control capabilities.

MAINTENANCE & TROUBLESHOOTING

Preventive maintenance programs and rapid-response troubleshooting services that minimize downtime and extend equipment lifespan.

Our electromechanical teams work with the latest technologies to deliver solutions that meet the growing demands for higher voltage systems and improved energy efficiency in industrial applications.

IMAD INTERNATIONAL CONTRACTING COMPANY

ENGINEERING SOLUTIONS FOR A STRONGER TOMORROW

OUR SERVICES

STEEL & ALUMINUM FABRICATION

With state-of-the-art fabrication facilities and skilled craftsmen, we provide custom metal fabrication services for industrial and commercial applications.

STRUCTURAL STEEL SOLUTIONS

Design, fabrication, and installation of steel frameworks, support structures, and industrial platforms engineered to precise specifications.

CUSTOM METAL COMPONENTS

Fabrication of specialized parts and assemblies using advanced manufacturing techniques including CNC machining, precision cutting, and automated welding.

INDUSTRIAL INFRASTRUCTURE

Development of complete infrastructure solutions including walkways, stairs, mezzanines, and equipment supports designed for safety and durability.

ALUMINUM FABRICATION

Specialized aluminum works for applications requiring lightweight, corrosion-resistant structures and components.

Each fabrication project undergoes rigorous quality control to ensure dimensional accuracy, structural integrity, and compliance with international standards.

PRECISION FABRICATION FOR A STRONGER TOMORROW

- MODERN FACILITIES
- SKILLED CRAFTSMEN
- QUALITY ASSURED

ELECTRICAL PANEL DESIGN & MANUFACTURING

Our electrical engineering team specializes in the design and production of custom electrical panels for diverse industrial applications.

CONTROL PANEL SYSTEMS

Engineering and manufacturing of motor control centers, PLC panels, and process control systems tailored to specific operational requirements.

POWER DISTRIBUTION PANELS

Design and assembly of low and medium voltage distribution panels with circuit protection and power management capabilities.

RELIABLE ELECTRICAL SOLUTIONS FOR INDUSTRIAL GROWTH

IMAD INTERNATIONAL CONTRACTING COMPANY

ELECTRICAL

SWITCHGEAR & RMU SOLUTIONS

We deliver reliable and efficient electrical distribution solutions through high-quality switchgear systems and medium voltage RMUs, designed for safety, performance and long-term reliability.

SWITCHGEAR SOLUTIONS

Custom switchgear assemblies are designed for reliability, safety, and ease of maintenance.

MEDIUM VOLTAGE RMU SOLUTIONS

Supply, installation, integration and commissioning of RMU and MRMU.

SYSTEM INTEGRATION

Seamless integration of electrical panels with existing infrastructure and control systems to enhance operational efficiency.

Our panel design incorporates the latest advancements in electrical safety, energy efficiency, and remote monitoring capabilities.

MEDIUM VOLTAGE RMU & MRMU SERVICES

Imad International Contracting Company specializes in the design, installation, and maintenance of medium voltage Ring Main Units (RMUs) that form the backbone of reliable secondary distribution networks. Our comprehensive RMU services include:

TECHNICAL SPECIFICATIONS & FEATURES

Voltage Range
7.2kV to 36kV medium voltage applications

Configurations
Compact and expandable designs to suit various installation requirements

Insulation Types
SF6 gas-insulated switchgear for enhanced safety and reliability, Air-insulated models for specific applications, Vacuum-insulated variants for environmentally sensitive installations

Protection Systems
Integrated transformer protection using fixed circuit breakers, Fuse-based protection systems for cost-effective installations, Relay-based protection for enhanced selectivity and fault detection

IMAD INTERNATIONAL CONTRACTING COMPANY

ENGINEERING SOLUTIONS FOR A STRONGER TOMORROW

POWERING RELIABLE DISTRIBUTION NETWORKS

ADVANCED

RMU CAPABILITIES

Delivering intelligent, safe and reliable medium voltage distribution solutions with advanced monitoring, automation and integration capabilities.

SMART RMU INTEGRATION

Seamless incorporation with SCADA systems and distribution automation.

CONDITION MONITORING

Implementation of thermal sensors, environmental monitoring, and predictive maintenance systems.

SAFETY FEATURES

Voltage Presence Indicating Systems (VPIS) for enhanced operator safety, Cable earthing mechanisms for maintenance operations, Interlocking systems to prevent operator errors.

SMART DISTRIBUTION FOR A STRONGER TOMORROW

MOTORIZED RING MAIN UNITS (MRMU)

Our specialized MRMU solutions provide enhanced automation and remote control capabilities, transforming traditional distribution networks into smart grid components:

Advanced RMU Capabilities

Smart RMU Integration: Seamless incorporation with SCADA systems and distribution automation

Remote Operation Capabilities

Integration with Remote Terminal Units (RTUs) for seamless communication, Motorized switching mechanisms for remote operation , Fault detection and isolation without manual intervention

Automation Components

Switch controllers for remote monitoring and control, Current transformers for measurement and fault detection , Low Power Voltage Transformers (LPVT) for precise voltage measurement

Smart Grid Integration

Real-time data collection and transmission , Automatic fault isolation and service restoration , Load management and peak shaving capabilities

IMAD INTERNATIONAL CONTRACTING COMPANY

ENGINEERING SOLUTIONS FOR A STRONGER TOMORROW

EXPERT EXECUTION LASTING IMPACT

IMPLEMENTATION

SERVICES

From design to commissioning, we deliver end-to-end implementation services for medium voltage systems with a focus on safety, reliability, and future readiness.

OUR IMPLEMENTATION SERVICES

SYSTEM DESIGN

Customized MRMU configurations based on network requirements and future expansion plans.

INSTALLATION & COMMISSIONING

Professional installation with comprehensive testing and certification.

INTEGRATION SERVICES

Seamless connection with existing distribution automation systems and SCADA networks.

MAINTENANCE PROGRAMS

Preventive maintenance schedules, performance monitoring, and emergency support.

IDEAL APPLICATIONS

Our RMU and MRMU solutions are designed for a wide range of applications across different sectors:

Urban Distribution Networks
Compact designs for space-constrained environments

Renewable Energy Projects
Specialized configurations for wind farms and solar plants

Industrial Complexes
Robust designs for manufacturing facilities and process industries

Commercial Developments
Reliable solutions for shopping complexes, hospitals, airports, and high-rise buildings

Residential Projects
Cost-effective designs for housing developments and residential areas

POWERING COMMUNITIES ACROSS INDUSTRIES

QUALITY ASSURANCE & TESTING

Every RMU and MRMU installation undergoes comprehensive testing, including:

- Contact timing and resistance measurements
- Insulation testing and partial discharge analysis
- Mechanical operation and endurance tests
- Protection relay functionality verification
- System integration and communication testing

RELIABLE SOLUTIONS FOR A BRIGHTER TOMORROW

IMAD INTERNATIONAL CONTRACTING COMPANY

ENGINEERING SOLUTIONS FOR A STRONGER TOMORROW

END-TO-END SOLUTIONS

TURNKEY PROJECT DELIVERY

For clients seeking complete solutions, we offer turnkey project delivery that integrates all aspects of industrial development.

01

CONCEPT DEVELOPMENT

Collaborative planning and engineering to define project requirements and technical specifications.

02

DESIGN & ENGINEERING

Detailed design services including 3D modeling, structural analysis, and systems engineering.

03

PROCUREMENT & FABRICATION

Sourcing of materials and equipment coupled with custom fabrication of required components.

04

INSTALLATION & COMMISSIONING

Professional installation, testing, and commissioning of all systems to ensure optimal performance.

05

DOCUMENTATION & TRAINING

Comprehensive documentation and operator training to support ongoing operations and maintenance.

Our turnkey approach reduces project complexity, minimizes coordination challenges, and ensures consistent quality across all project elements.

- SINGLE POINT OF RESPONSIBILITY
- STREAMLINED EXECUTION
- HIGHER EFFICIENCY
- LONG-TERM VALUE

FROM VISION TO OPERATION

BUILDING INDUSTRIES TOGETHER

At Imad International Contracting Company, we combine technical expertise with practical experience to deliver industrial solutions that enhance operational efficiency, improve safety, and provide long-term value. Our commitment to quality and customer satisfaction drives every project we undertake, from small-scale fabrication to complete industrial facility development.

IMAD INTERNATIONAL CONTRACTING COMPANY

OUR GOALS

A CLEAR VISION | A STRONGER TOMORROW

At Imad International Contracting Company, our goal is to establish ourselves as the premier provider of industrial electromechanical and steel infrastructure solutions in the region by **2030**. We aim to deliver projects that exceed industry standards through technical mastery, innovative approaches, and unwavering quality control. By investing in advanced fabrication technologies and developing specialized expertise in high-demand sectors, we strive to create lasting value for our clients while achieving sustainable growth. We are committed to building infrastructure that stands the test of time, implementing smart systems that enhance operational efficiency, and fostering relationships based on trust and proven results. Through continuous improvement and adaptation to emerging industry trends, we will position Imad International as the trusted partner of choice for complex industrial projects that require precision, reliability, and forward-thinking solutions.
